Service 1 – Shortened Staff e-mail addresses

With your address (www.YourName.com) which links to your corporate provided personal web page you receive a custom e-mail address (you@yourname.com). We are now offering additional shortened e-mails (staff1@yourname.com , staff2@yourname.com). You can have unlimited additional e-mail addresses.

* You will be contacted to setup the e-mails requested when order is received.

Service 2 – Basic Web Site Submission

Let hundreds of search engines, including GOOGLE, YAHOO, AOL, MSN, know that your new web address is now live on the internet. Although the \$39.00 is a one-time fee, if paid annually, your ranking moves closer to the first page of search results.

Service 3 – Premium Web Site Submission on Google

Get a first page results listing guaranteed!

Type "tldrs" into a Google search. You'll see our ad first on the top right hand side. You can choose the title and up to 35 characters of text. A monthly report is also included with this service, which outlines how many people viewed your ad and how many of those clicked through to your web page.

* You will be contacted to setup the custom ad when your order is received.

Service 4 - Semi-Annual Traffic Report

We know have the ability to track how many visitors are clicking through to your web page. The easy to read full page report delivered electronically, every six months, will give you confidence, that our program provides you with results for your investment. This report can also assist you in measuring your other marketing campaigns.

Service 5 - Custom Car Plates

Our car plates are made of the same materials the big three auto makers use ... Injection molded plastic, which is chrome foil plated and triple coated with lacquer to stand up to the elements and car washings.

How do they attach?

Your choice of supplied peel and stick neoprene automotive-type adhesive tape or a magnetic back.
